THE DIRECTOR OF CENTRAL INTELLIGENCE

WASHINGTON, D. C. 20505

Office of Legislative Counsel

78 445/A

Mr. William G. Miller, Staff Director  
Select Committee on Intelligence  
United States Senate  
Washington, D.C. 20510

Dear Bill:

As you know, the Agency over the past two years has made available thousands of documents to the House Select Committee on Assassinations in an effort to assist the Committee with its investigation of the assassination of John Kennedy. The next phase of the Committee's investigation will be public hearings, and we expect much discussion of CIA-related topics during the hearings.

To better enable you to understand some of the issues which we believe will surface, in the public hearings, I am enclosing a study prepared within the Agency last year commenting on Book V of the Final Report of the Church Committee, which dealt with Performance of the Intelligence Agencies with the Investigation of President Kennedy's death.

Sincerely,

Frederick P. Hitz  
Legislative Counsel
